'P's" MOTION REQUESTING THIS COURT TO ADDRESS DIFFICULTIES WITH 'P" LEGAL CORRESPONDANCE AND DIFFICULTIES WITH 'P" LEGAL CONTACT TO THIS COURT. AND ADDITIONAL VIOLATIONS OF THE 'P" CURRENT STATUS

Plaintiff Salvador Magluta IS SEEKING to address the court on April 4, 2018 Schedule Conference

(1) "P" ATTORNEY PAUL PETRUZZI requested this court to allow him to withdraw

which the court granted and the court provided the "P" with (DOC-#119) and additional documents advicing the "P" that "P" was PRO-SE.

(2) When "P" received those documents "P" saw that some documents were missing. At the time "P" believes he had never received DOC's #114, 115, 116, 117, 118. "P" then filed the motion which is DOC #123 in part requesting the missing pages, the withdrawel of Mr. Petruzzi and the section where "P" is asked to provide the court with changes of address. SEE ATTACHMENT 1

(3) The court responded to the "P" motion and provided the missing documents (SEE DOC 124) At the time "P" did not have a docket sheet and only became aware the "P" was missing DOC # 114-115-116-117-118, WAS THE RECEIVED (119)

(4) "P" then had received from this court DOC-# 119 TO 124.

(5) Next document received by the "P" were DOC # 126 and 127. These documents were received by the "P" on February 14th 2018.

(6) While "P" reviewed (Doc-126) "P" saw that in the docket text of (126) the courts refers to a (Doc-125), which "P" had never recieved. That (Doc-125) had been issued on February 9TH 2018 and it was an order to an important part of "P" Complaint.

(7) That same day 2-14-2018 "P" PREPAIRE a motion in which "P" advised the court he had not recieved (Doc-125) and asked the court to address the motion and to provided "P" with the order-(125) (SEE ATTACHMENT NO 2)

(8) "P" sent a copie to AUSA Pestel and one to the ADX attorneys Chris Symsroll and Miss Klett

(9) During this period "P" asked that his family reach out to a lawyer friend and ask if the lawyer could send "P" Docket entry 125

(10) "P" never received verification from this CT of having received "P" motion (SEE ATTACHMENT 2 above) The legal department never responded to "P" of having received the motion.

(11) On February-26-2018 "P's" friend, Mark Dachs'

mail was provided to the "P" which included the Courts Order (#125). The legal department were aware "P" was requesting for (#125) both by my verbal requests to his family and from the copy of the motion that apperantly never was received by this court dated 2-14/15AM/2018. "P" had cc Mr. Pastel as well as Mr. Synsvoll and Miss Klett.

(12) Within an hour of "P" receiving Mr. Dachs legal mail attorney Klett came to see the "P" and with her she had a copy of the February 14TH 2018 motion stamped as if they had received it that same day FEB-26-2018. She left me the (order #125) and the copy of the motion I had sent to them on February 14TH 2018. (ATTACHMENT 3)

(13) Were this the first time "P" has had issues with the legal mail both with the courts and "P" attorneys "P" could accept it was a mistake, an oversight or it got lost in mail... But this document was sent through the unit team who gives it to them personally or places it in the attorneys box. As such they get it the same day that I hand in the legal mail with the motion to the Court or AUSA Pestel. who once received the motion he would become aware

of the "P" claim and could have reached out to the ADX legal department. Miss Klett appears in the legal documents and could easily address the issue with the "P." "P" is pro se so their is not the issue that ethically they can't dialogue current case issues because (in this case "P") would be ~~Represented~~ represented by counsel... In addition "P" has sent documents stating that he would wave any conflict that may exist.

(14) Upon information and belief "P" asserts that these type of issues, of interference, are done knowingly to prevent the "P" to adequitely address his legal issues, to retaliate and conspiring to do so.

POST DOCUMENT #125

(16) The courts minute order in Document #126. in part states that (a) A courtesy copy of the minute order be sent to case manager for "P"... (i) "P" was never addressed with anything from his case manager. (b) That "P" had a hearing for a scheduling konference set for 3-29-2018.

(17) "P" begun to prepair himself for that day.

and in doing so "P", started to seek for guidance to see how the process works for the hearing...
(a) On March 18-2018 "P" sends a request to the legal department to Mr. Synsvoll and Miss Klett. The letter is four paragraphs (i) "I am writing to request that we meet to see and address any issues related to the courts scheduling order set for 3-29-18 (ii) Asks to review the scheduling order to agree on what this may be. (iii) Address current issues that may become prevelent (in this action) and issues the court would want to address. (iv) Look forward to speaking with both of you... to the extent that the AUSA participates in this process, please let me know how that is to proceed as well. (v) Please notify my case manager who I believe is currently Mr. Coulson - as the court stated. see Attachment #4 which is this march-18-2018 letter.

PLAINTIFF NEVER RECEIVED A REPLY

(18) "P" again on March 26-2018 sent another letter to the legal department see Attachment# ___ In this letter "P" state that "P" wanted to speack about the 3-29-2018 hearing, That I had sent one to my casemanager Coulson.
(SEE ATTACHMENT #5)

(19) Next I relay that I had run into

case manager Coulson who stated he had recieved that march 18-letter and that I needed to see him. He mumbled and walked away.

(20) I adviced that they (legal dpt) had not responded to my 3-18-18 letter. and most important THAT "P" HAD SPOKEN TO MY SON THAT SAME DAY AND I HAD TO HEAR FROM MY SON THAT THE HEARING TO SET FOR 3-29-18 HAD BEEN RESCHEDULE TO APRIL FOURTH.. My son also stated that the hearing had been re-scheduled on or about FEBUARY 28-2018 DOCUMENT (128). I then addressed my concerns that when they received my march letter; WHICH WAS NOT RESPONDED TO and when I saw Case Manager Coulson all weeks after the court had re-set the date to April 4TH 2018 and NO ONE EVER GAVE THE "P" THE INFORMATION OF THE NEW DATE. WHICH THE "P" STATED IN ALL THE MARCH LETTERS TO THEM. THAT THE MARCH 29-18 HEARING WAS ALL THE INFORMATION HAD...
(NOTE) AS THE COURT CAN SEE THE "P" ALSO NEVER RECEIVED (DOCUMENT #128).

(21) Today I saw miss Klett when I picked up my lunch tray and she stated I should be recieving a response to my letters and that since the

(22) In addition to addressing the issues raised above, the "P" would like to address other issues that interfere with "P" case before ~~and~~ the courts and that interferes with the process of this current litigation, but most of all interferes with "P" health, is abusesive, tortuous and even lethal...

(23) I would ask this court to please allow me to be polygraphed for each and every claim that the "P" makes... "P" understands that the courts usually NOT ~~allow the~~ not allowed in as evidence. "P" has no desire to produce or ask the court to allow the results nor use them against the Defendants in any way.

~~The "P" states that if he fails ONE to the "P" will dismissed and agrees to bring any conduct~~

The "P" would agree that if any of the allegations comes up as not truthfull, "P" will ~~on~~ not only this action but foreclose the "P" from ever bringing litigation on any issue past of the poligraph and the "P" would make everything before that day file the Forclosure with Prejudice...

As such the only person that stands to lose anything is the "P". Law enforcement

use polygraphs all the time. "P" would ask the court to ask that "P" be debriefed by a ~~lawenforcem~~ law enforcement on the issuse raised.

I would appreciate the courts consideration in these requests. I believe that the AUSA Mr. Pestel would have no objection to these requests since as a AUSA he wants the law to be followed that is what his possition requires.

WHEREFORE "P" respectfully asks Your Honor to grant "P" requests

Respectfully Submitted this 2nd day of April 2018.

Miss Klett & MR. Sysnowolk 3-26-18

I sent you a cop out letter seeking for an opportunity to speak to both of you for the march-29-2018 hearing. I also sent one to Mr. Coulson since they say he is my case manager and in the court document it states that copy of schedule hearing for 3-29-18 be sent to case manager.

① first I saw casemanager Coulson last week and he stated he had recieved my note. When I told him that the hearing was this week 29TH and I needed to see him he mumbled and hit the Button to leave and left.

② No-one from the legal department has responded to that submission

③ Today I spoke to my son and addressed that I had a hearing and he stated no its been changed for April 4TH 2018.

(Continued 3/26/18 Letter to the legal department Miss Kett and Mr Synsvoll. / RE HEARING)

he also stated that the re-scheduling date was, I believe, ~~3~~ 2-28-18.

It is somewhat concerning that you knew that hearing had been changed and received my letter and by it you knew I was under the understanding that it was for 3-29-18 and

(a) Case manager Coulson knew and never told me "maguta it has been changed" or something to that effect.

(b) Legal has yet to respond and

(c) Most concerning is that it seems that most of the courts correspondence seem to never get to me... You already know you had to provided me, I believe, DE-from 2-09-18 and I recieved all of them from you and friend lawyer that I asked my family to see if he can monitor the docket sheet and send me copies of all Docket entries) since you are not giving me all legal mail that seems to include the courts correspondence...

As such I'd like to address my legal

mail issues both incoming and outgoing since they do not get to where I send them (and you know I certify all my legal correspondence and most of my general correspondence due to these same issues.

Thank You for your attention in this matter and Respectfully
