

JURY COMMUNICATION # 6

DATE: 11/23/11

JUDGE Martini

CAPTION:

DOCKET NO.

Your Honor -
We feel we owe it to the Court to provide a status report. We have exhaustively examined all relevant testimony and evidence; discussed, debated and taken multiple votes; in a good faith effort to reach a unanimous verdict.

Each juror has had the opportunity to personally express their opinion; listen carefully to each other; and remain open to persuasion.

We have concluded, regrettably, that we are at an impasse. Convictions are resolute.

FOREPERSON JUROR #

At this point, we see no opportunity, or further avenue to reach unanimous consensus.
