Re: William Baskerville v. United States
Civ. No. 13-5881 (PGS)

Dear Judge Sheridan:

The Government is working diligently to respond to the court's order filed July 28, 2015 for the Government to expand the record with certain items from the trial of this matter.

Due to the age of the case, and summer vacations of the personnel involved, the Government has been delayed in obtaining certain of the items requested by the Court. The Government respectfully requests an extension until September 18, 2015 to submit the additional items needed to expand the record.

Thank you for your consideration of this request.

Respectfully Submitted,
PAUL J. FISHMAN
United States Attorney
