SHERIDAN, District Judge:

On October 2, 2013, pursuant to 28 U.S.C. § 2255, Petitioner filed a motion to vacate, set aside or correct a sentence, challenging the June 19, 2007 judgment by this Court. (Doc. No. 1); United States v. Baskerville, Crim. No. 03-836(JAP) (D.N.J. May 1, 2007). The judgment was entered after a jury trial. (Doc. No. 1.) The jury declined to impose the death penalty on Petitioner's two capital offenses, and on June 18, 2007, this Court sentenced Baskerville to nine concurrent life terms of imprisonment. Id. Petitioner appealed to the Third Circuit, which affirmed the District Court's judgment and sentence. United States v. Baskerville, 448 F. App'x 243 (3d Cir. 2011). Petitioner then sought certiorari from the Supreme

Court, which denied the request. Baskerville v. United States, 133 S. Ct. 100 (2012).

In the present motion, Petitioner alleged twenty grounds of ineffective assistance of counsel, that there is newly discovered evidence providing a basis on which to vacate his convictions, that prosecutorial misconduct provides a basis to vacate his convictions, and asked for an extension of time in which to submit a reply to the Government's answer in this matter. (Docs. No. 1, 22).

On February 23, 2015, Petitioner again requested additional time, until May 20, 2015, to file his reply. (Doc. No. 25). The Court will grant the request, and Petitioner shall have until May 20, 2015, in which to submit his reply to Government's answer in this § 2255 matter.

IT IS, therefore, on this 23 day of March 2015,

ORDERED that Petitioner shall have until May 20, 2015, to submit a reply to the Government's answer regarding his § 2255 motion, and it is further,

ORDERED that the Clerk shall serve this Order upon Plaintiff by regular U.S. mail.
