**Re. William Baskerville v. United States  
Civil Number 13-5881 (PGS)**

Dear Judge Sheridan:

William Baskerville seeks an adjournment of Thursday's oral argument because the Government submitted a 1200-page Appendix with its post-hearing brief. Baskerville neglected to mention, however, that the Appendix mostly contains trial transcripts from the *Bergrin* case – *i.e.*, the very transcripts Baskerville cited in his § 2255 motion and Traverse and mentioned in his post-hearing brief. This farce has dragged out long enough. The requested adjournment should be denied.

Respectfully submitted,

CRAIG CARPENITO  
United States Attorney
